Member Communication

This is the sixth in a series of communications from MPPAC, the Mounted Police Professional Association of Canada. Please visit our website, at www.mppac.ca for more information about our organization and how you can become a member!

Our previous communications can be found at www.mppac.ca/communications.

DEAR COLLEAGUES

We write to welcome all of our new members who signed up to join MPPAC during the first month of our nationwide membership drive, and to thank them for their vote of confidence — in collective bargaining, in an independent association, and the future of the RCMP!

ABOUT OUR MEMBERSHIP DRIVE

In order for MPPAC to act on behalf of its members, we need to have and demonstrate member support: we cannot negotiate with the RCMP and obtain a collective agreement without a mandate, and it is not too soon to show the RCMP that this is what you want by becoming a member!

To join, simply visit www.mppac.ca/membership to register online or download the application form for mailing. Our registration process is fast and simple.

In order to help demonstrate to RCMP management and the government that our members are serious about an independent association, we are asking all *new* members to contribute a one-time fee of \$20, as a part of their registration process.

As a member of MPPAC, you have an active say in how the association works on behalf of you and your colleagues through our constitution. We invite you to read it online at www.mppac.ca/constitution and we look forward to sharing with you in detail how MPPAC is governed and responsible to all of its members in our next communication.

It's your RCMP, it's your future, you can make a difference!
