

## MEMBER COMMUNICATION 20

---

[national@mppac.ca](mailto:national@mppac.ca)

### DEAR COLLEAGUES

Seasons Greetings from the **Mounted Police Professional Association of Canada!**

We wish all members of the RCMP and their families a wonderful and safe holiday season and all the best for the coming year.

To those of you who will be serving away from your family and friends, both within Canada and around the world, we offer our sincerest gratitude for your commitment and sacrifice — we know how difficult this can be and you will be in our thoughts.

### THANK YOU

We would like to thank those of you who took the time to share your questions, comments, and thoughts with us during the past year. Coming together to exchange ideas and views on workplace issues is the very cornerstone of our association and we look forward to another year of honest and thoughtful dialogue.

To those of you who joined us this year as members of the association, we welcome you and thank you for your support — as we thank all of our members, nationwide, for their continued efforts to provide assistance to their colleagues in need, from shared resources, encouraging correspondence, and our own member support meetings.

We make a difference when we work together. Imagine what our collective voice will empower us achieve throughout this next year.

Sincerely,

*The Mounted Police Professional Association of Canada*
