Dear MPPAC Members:

MPPAC offers many benefits, making membership even more worthy. Your national executives recently negotiated a great banking product from the Bank of Montreal for our current Association and retired membership. This is the same product that is available to our brothers and sisters in the Canadian military.

Features of these benefits include:

- Banking fees
- Home financing
- CDCB Student Line of Credit
- MasterCards
- Online and mobile access
- MoneyLogic

For additional information on the benefits of this Bank of Montreal product, please log onto the MPPAC [website](#), under the Merchant Partners portion of the website.

We know that you will be impressed. Please help us to share the word with your colleagues and retired members.

LET US BE YOUR ADVOCATE

The Mounted Police Professional Association of Canada (MPPAC) aims to become the independent labour representative for all non-commissioned RCMP members. MPPAC was established in 2010 to fight for the right to engage in collective bargaining through an independent association on behalf of RCMP regular and civilian members across Canada. We strive for excellence in our conduct and obligations. We provide leadership to all of our membership on justice issues which affect the quality of life of all Canadians. The Association does not seek or support the right to strike. To learn more, visit www.mppac.ca.

Become a member today and let's put forward a collective voice on work issues that concern us all. Please forward this message to your RCMP colleagues who are not yet members of MPPAC.
