

Moncton – Our Fallen- One Year Later

In response to the Alphonse McNeil Report (the recently retired Assistant Commissioner that was tasked with looking into the Moncton incident) and the delay in rolling out initiation of the C-8 Carbine and accompanying training which took too long, *Global T.V.'s* investigative program, *16x9*, aired a show entitled *Under Fire*, which reported on accountability within the senior ranks of the RCMP.

The one-year anniversary of the Moncton tragedy is June 4th and *CBC News, The National*, is interested in doing a follow-up documentary.

Lisa Laventure of *CBC News, The National*, is interested in hearing your stories! Lisa recognizes and understands fears that currently serving members may have about speaking out about their workplace and have guaranteed to protect the identities of those that choose to tell their stories.

This is an opportunity to come forward and be heard!

LET US BE YOUR ADVOCATE

The Mounted Police Professional Association of Canada (MPPAC) aims to become the independent labour representative for all non-commissioned RCMP members. MPPAC was established in 2010 to fight for the right to engage in collective bargaining through an independent association on behalf of RCMP regular and civilian members across Canada. We strive for excellence in our conduct and obligations. We provide leadership to all of our membership, on justice issues which affect the quality of life of all Canadians. The Association does not seek or support the right to strike. To learn more, visit www.mppac.ca.

Become a member today and let's put forward a collective voice on work issues that concern us all. Please forward this message to your RCMP colleagues who are not yet members of MPPAC.
