

MEMBERSHIP TYPE COMPARISON

The basic membership with a one time 10.00 fee was created to offer an affordable choice for members who would like to give their vote to MPPAC to assist in certification. All important information and communications are visible on the public side of the website which you have full access to and as well you are on our email system and will receive all communications that we send out.

The 25.00 per month (without legal program) adds member representation from our executive (and we have been successfully handling grievances for membership for years) as well as access to the private side of the website. (member perks etc).

The 50.00 per month adds our legal program (we have lawyers on "retainer" if you will to the without legal membership. The additional cost goes straight to our legal team.

All are 100% tax deductible. For example 50.00 per month at a 40% marginal tax rate means that you are actually paying 30.00 per month after you realize your tax refund.
